

**PaACEP Councillor Interest
FAX BACK FORM

The 2009 ACEP Council Meeting is scheduled for October 3-4 in Boston, MA, just prior to the Annual ACEP Scientific Assembly.

This is the congress of our national association where submitted resolutions are discussed, possibly modified, and voted upon. The resolutions are then referred to the ACEP Board of Directors for action. The council also elects the ACEP Board of Directors and the president-elect.

PaACEP's Board of Directors and councillors discuss the resolutions prior to the meeting. As a PaACEP member you have an opportunity to participate in this discussion or to possibly serve as a councillor or alternate councillor.

The PaACEP Board of Directors select the councillors and alternates who will represent the chapter at the October ACEP Council meeting. The board has adopted some guiding principles to ensure fairness for the councillor selection process. The criteria include: serving as a chair or member of a PaACEP or ACEP committee, active involvement at a chapter or national level, faculty for PaACEP programs or someone who could represent the interests of members regarding a particular issue.

Please let us know if you would like to be personally involved by faxing this letter back to the chapter by **July 1, 2009**.

Thanks,

Michael A. Turturro, MD, FACEP
