

PENNSYLVANIA EMERGENCY PHYSICIANS POLITICAL ACTION COMMITTEE (PEP-PAC)

Right now, lawmakers and government officials, not trained in medicine, are making decisions on legislation that may affect our specialty and how we provide patient care. It is important that emergency physicians band together and aggressively take on the role of patient advocate.

The Pennsylvania Emergency Physicians Political Action Committee (PEP-PAC) was formed to help elect candidates from both parties to the Pennsylvania General Assembly who share the views and concerns of emergency physicians, and to help foster key contacts between PaACEP members and legislators through participation at fund raisers.

PEP-PAC is an effective and efficient way to help us communicate our view to legislators. With the guidance of our lobbyist, John Milliron, the PAC will bring our voices to the ears that need to hear them the most. Help assure that PEP-PAC will be able to impact on the important legislative and regulatory issues that affect our specialty and patient care. Imagine what we could do if every member participated! Please consider joining an effort with results that will have an impact on your daily practice. **Donate the cost of just one hour of a clinical shift, or at least \$125.00, and be a part of something truly meaningful.** PEP-PAC is a sound investment in your career and the future of emergency medicine in Pennsylvania. Contribute Today.

YOUR VOICE TODAY . . . IMPACTS OUR ABILITY TOMORROW!
